"Mephisto"

The MEPHISTO Auger Bits have been manufactured for a great many years and during that time, we have built up a reputation for MEPHISTO Electrician and MEPHISTO Plumbing Bits that cannot be excelled. That is why there is a continual demand from the electrician for our No. 900 Bit. Plumbers demand our No. 5 Bit. Both these Bits bore without pushing.

Our line of Plumbing Tools is becoming better known all the time and jobbers now represent us in every state in the Union. Look at the MEPHISTO Plumbing Tool carefully, examine the finish and note the practicability of each tool for its respective use and you will see why this branch of our business has made such tremendous strides during the past few years.

40/16″ Proper size for 2″ Pipe	69.44	15

THE NEW "MEPHISTO" DIRT AUGER No. 1000

Save time and labor by boring instead of trenching for water, gas, telephone and other underground services.

Saves the expense of costly street and sidewalk restoration charges, and the resodding of lawns.

DIRECTIONS—Always start the auger slightly downward. Turn and push auger in ground for about 12 in. Pull out and remove dirt from the twist, then repeat operation.

If ground is very hard, pour a small quantity of water in hole. This will soften the ground and permit the auger to work more effectively.

	Each	Wt. Lbs. Each
2″ x 24″	$5.00	4

MEPHISTO SCREW DRIVER BIT No. 60

	Doz.	Wt. Lbs. Per Doz.		Doz.	Wt. Lbs. Per Doz.

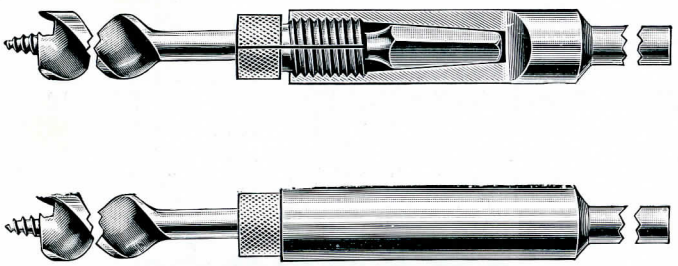
Offered on Display Easel. One Dozen Assorted

Consisting of four each 1/4″, 5/16″ and 3/8″.

		Wt. Lbs. Per Easel
Price Per Set on Easel	$3.60	1¼

MEPHISTO EXTENSION BIT HOLDER No. 89



You can readily see from the illustration what a tight hold is obtained on the bit shank. The shank of the bit rests far back on the shell and the split sleeves make for an almost unbreakable hold on the bit.

This shell will not crack at the ends as the chuck takes up all the strain.

The holder will go through the hole made by a $\frac{11}{16}$″ bit and can be used on bits up to 1″ in diameter.

These holders made in the following lengths:

	Doz.	Wt. Lbs. Per Doz.
15″	$23.40	10
18″	24.60	12
21″	25.80	15
24″	27.00	18

When ordering specify the length required.

MEPHISTO CAULKING IRONS

MEPHISTO Caulking Irons carry the same high quality as the rest of the tools of the MEPHISTO line, which have been manufactured and sold to the trade for the past hundred years. The MEPHISTO TOOL CO. guarantees these tools to do the work for which they are intended.

MEPHISTO has always enjoyed a very satisfactory connection with the plumbing trade, and we have endeavored to produce a quality tool to even more strengthen this situation. MEPHISTO guarantees this line of caulking irons to be made under a hammer and *not* drop forged.

MEPHISTO TOOL CO.
HUDSON, N. Y.

These MEPHISTO Caulking Irons are packed one-half dozen of each number in a box.

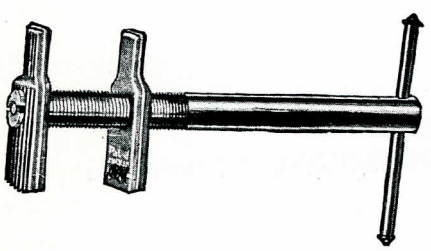
MEPHISTO SHORT NOSE PACKING TOOL

Hammered Steel

No.	Size	Doz.	Wt. Lbs. Per Doz.
074	5/8″ x 7″	$8.30	7

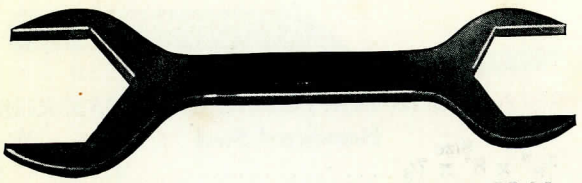
THE NEW "MEPHISTO" INTERNAL EXPANSION SPUD WRENCH No. 211

This is just the tool the Plumber has been looking for



With the Internal Expanding Grip it is especially adapted for the holding in place of Closet Spuds, Sink Plugs, etc., while tightening or replacing. The small end can be used on Bath and Lavatory Plugs.

	Each	Wt. Lbs. Per Doz.
Price	$2.00	10



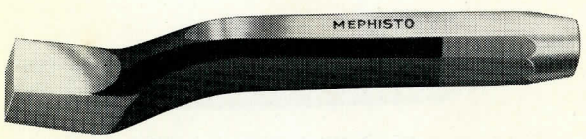
MEPHISTO CLOSET SPUD NUT WRENCH No. 212

As this wrench is practically the same thickness as the average closet spud nut it will be of invaluable assistance in tightening the lock nuts on spuds. It will also aid in removing them after they have become set. The opening of this wrench is 2″ on one end and 2½″ on the other so it will engage lock nuts on 1¼″ and 2″ spuds, high or low boxes.

	Each	Wt. Lbs. Per Doz.
No. 212	$ .75	8

No. 213 is the same wrench as our No. 212 excepting that it is made for 1½″ and 2″ spuds.

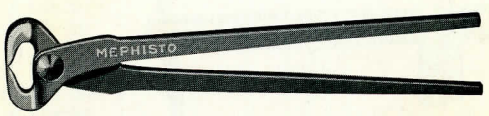
No. 213	.75	8



MEPHISTO WATER MAIN CAULKING IRONS

No.		Each	Wt. Lbs. Each
079	⅞″ x 8½″ x ⅜″ Point	$1.40	2
080	⅞″ x 8½″ x ½″ Point	1.40	2

These caulking irons are made of High Grade Swedish Steel and we believe them to be superior to any water main caulking irons on the market.



MEPHISTO NIPPERS No. 200

Two Sizes

	Each	Wt. Lbs. Per Doz.
12″	$2.53	17
14″	2.80	26
